Tuition payments are due the first day of the month and are late after 5 pm on the seventh day of the month due. Payments received after the seventh day of the month incur a late fee dictated by the payment plan to which you have agreed. If you set up automatic payment through your bank, due dates and late fees still apply. Payments can be dropped off during office hours, deposited in the black tuition box next to the office door, or mailed in. If you have a credit card on file with us and have approved automatic payments, those will be charged on the first day of the month.

Adult Class Card Rates: Single Class \$20
Ten Classes \$150

Four Classes \$75
Twenty Classes \$300
